

# KioskForce K180-6C Specification

The KioskForce K180-6C is a rugged industrial kiosk equipped with a 21.5-inch touchscreen and a 6-door locker system. This kiosk is designed to withstand harsh industrial and commercial environments.

Features include:

- Industrial-grade FM levelling caster wheels for stability and durability
- A 21.5-inch touchscreen with multi-gesture support for easy navigation
- Embedded 6 locker cells with door-open sensors for secure storage
- Energy-efficient LED lighting
- Unattended payment enabled
- Emergency access through the back panel for maintenance and repairs
- Ethernet wired connectivity as well as optional WiFi and 4G/5G connectivity for network flexibility.
